## I/N Sectional Tournament for 299ers on January 21, 2017

**Hello again!**

**We are Joan and Bill Goldstein** and we are ready for our second I/N Sectional Tournament for 299ers (players with fewer than 300 master points). Our first Tournament, at the Valley Forge Bridge Club, was a sell-out with a long waiting list. Therefore, we are scheduling an identical event with preferential early registration for players who were on the waiting list but did not have the opportunity to play.

The Tournament will be held on **January 21, 2017** at the wonderful **Raffles Bridge Club**, 3901 Conshohocken Ave., Greenbriar Club Apartments, Defensive Arts Center, Phila. PA 19131 (215-879 9923).

The Tournament will be a **20-table single-day two-session** event. Pairs must play in the morning and afternoon sessions to win master points. Points will be awarded for results in each session and overall results. Because the Tournament has a "Sectional" ACBL sanction, Silver Points will be awarded.

The Tournament fee is **\$52 per pair (\$26 per player)**, which includes a FREE on-site lunch. Raffles has a refrigerator should you choose to bring your own lunch. Payment must be by check payable to "Joan and Bill Goldstein Unit 141 I/N".

**Pre-registration is required.** Please complete the attached form and your check(s) totaling \$52 and mail them to "Joan and Bill Goldstein, 2101 Market Street, Unit 3702, Phila. PA 19103."

If you were on the waiting list for our September 29 Tournament and did not get to play, your entry will be guaranteed if your registration is mailed no later than December 16, 2017.

**The morning session will begin promptly at 10:00 am.** We expect to play 21 boards for each session and hope to have final results by 5:30 pm.....**See you on January 21!**

**Joan and Bill Goldstein**
